

# Sign up for SHAPE 2.0

In August 2019, the SHAPE system will re-launch with exciting new features!

- Individual and state access (in addition to school and district team access)
- Personalized reports based on level of implementation quality
- Streamlined School Mental Health Quality Assessment (SMH-QA)

**Earn SHAPE RECOGNITION**

Bronze, Silver or Gold Star SHAPE Teams have access to customized reports, free resources, and can add team members to join their SHAPE account.

**Join Us**

Answer a few questions on the home page and get added to the National School Mental Health Census.

**School Mental Health Profile**

Assess your school or district SMH resources, staffing and service array.

**Quality Assessment**

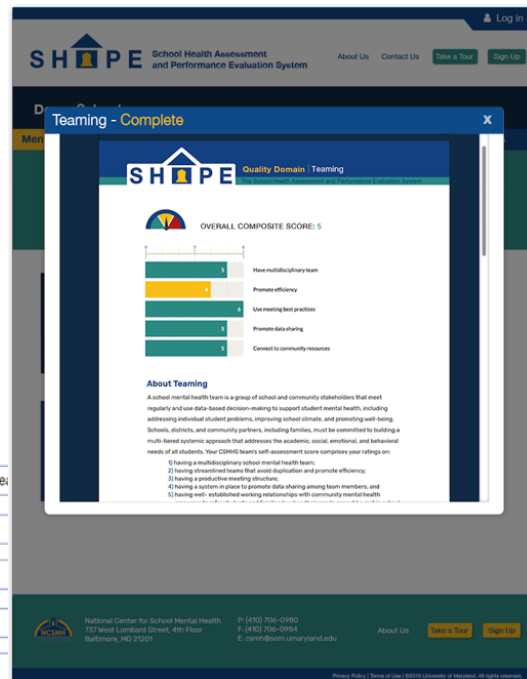

Assess your school or district performance on national school mental health quality indicators. Get free customized Quality reports to drive your improvement process.

**Sustainability Assessment**

Assess your school or district performance on national school mental health sustainability indicators. Get free customized Sustainability reports to drive your improvement process.

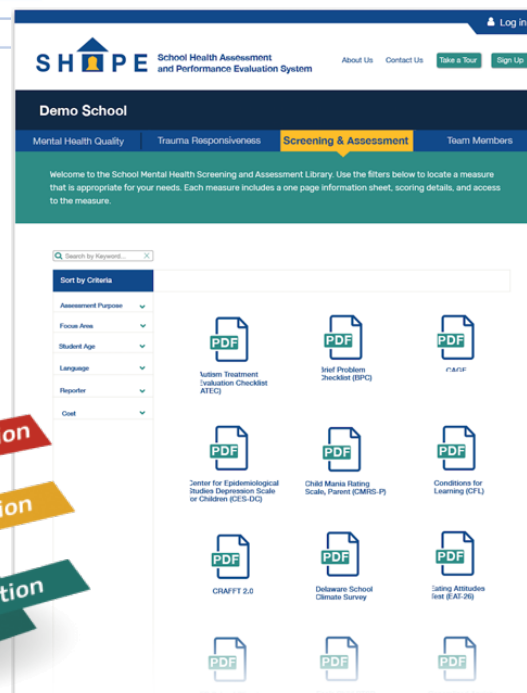

Complete all three and earn your Gold Star status!

- Mod 1 Foundations of Comprehensive School Mental Health
- Mod 2 Teaming
- Mod 3 Needs Assessment & Resource Mapping
- Mod 4 Screening
- Mod 5 Mental Health Promotion for All (Tier 1)
- Mod 6 Early Intervention and Treatment (Tiers 2/3)
- Mod 7 Funding and Sustainability
- Mod 8 Impact

...and all the features you have come to love!

- School Mental Health Profile – Document your service array, staffing, and data infrastructure
- Recognition System – Earn your SHAPE stars
- Screening and Assessment Library
- Trauma-Responsive Schools Implementation Assessment (TRS-IA)
