School Health Interdisciplinary Program (SHIP) is co-sponsored by the Center for School Mental Health University of Maryland; the Maryland State Department of Education, the Maryland Department of Health and Mental Hygiene, the Maryland Department of Human Resources; and the Maryland Department of Juvenile Services.

The target audience for the conference includes: school nurses, caregivers, school social workers, school psychologists, school-based health center staff, administrators, after-school program providers, alternative program staff, child advocates, health educators, school teachers and support staff, community and faith-based representatives, child serving agency staff, mental health practitioners, substance use providers, pediatricians, occupational therapists, psychologists, psychiatrists, pupil personnel workers, school counselors, school resource officers, social workers, and special educators.

Disclosure of Conflicts of Interest: In accordance with the American Nurses Credentialing Center and the Commission on Accreditation standards for commercial support and sponsorship, The University of Maryland School of Nursing requires that all individuals in a position to control the content of an educational activity disclose all relevant financial relationships with any commercial interest. The University of Maryland School of Nursing Office of Professional Education reviews and resolves all reported or potential conflicts of interest to ensure content integrity, objectivity, and scientific rigor for this activity.

Commercial Support: This educational activity has not received any form of commercial support.

For more information about the conference and registration, please contact Christina Huntley at the Center for School Mental Health at [410-706-0980](tel:410-706-0980) or chuntley@psych.umaryland.edu
