

A Program for School Nurses

Friday, August 5, 2016

8:30am – 4:30pm

(Registration 7:30am – 8:30am)

Radisson Hotel North

2004 Greenspring Drive

Timonium, MD 21093

• **H.A.N.D.S.SM Objectives (summarized):**

1. Summarize current knowledge and guidelines related to diabetes and diabetes management at school.
2. Identify the school nurse's role in developing and maintaining a student's individualized healthcare plan for safe, effective diabetes management at school.

• **Description:**

H.A.N.D.S.SM is an educational program developed by the National Association of School Nurses. Course materials include a H.A.N.D.S.SM Participant manual and numerous resources to support school nursing practice as it relates to diabetes management. A completed evaluation and full day attendance are required for 6.5 CNE contact hours to be awarded.
