Last Chance! Deadline for Proposals for 19th Annual Conference on Advancing School Mental Health is Tomorrow - Tuesday February 11th

In response to several requests to extend the deadline for proposals because of weather related issues, technology challenges, and needing more time to advance collaborative proposals, the deadline to submit proposals for the 19th Annual Conference on Advancing School Mental Health has been extended to February 11, 2014. The Conference will be held September 18-20, 2014 at the Wyndham Grand Pittsburgh Downtown in Pittsburgh, PA. The Conference is hosted by the Center for School Mental Health (CSMH; funded by the Health Resources and Services Administration) and the IDEA Partnership (funded by the Office of Special Education Programs (OSEP), sponsored by the National Association of State Directors of Special Education). The theme of the conference is ***School Mental Health: Enhancing Safe, Supportive and Healthy Schools***. The conference features twelve specialty tracks and also includes a special topic area on funding and sustainability in school mental health. The Annual Conference offers speakers and participants numerous opportunities to advance knowledge and skills related to school mental health practice, research, training, and policy. The conference emphasizes a shared school-family-community agenda to bring high quality and evidence-based mental health promotion, prevention, and intervention to students and families. The intended audience for the conference includes clinicians, educators, administrators, youth and family members, researchers, primary care providers, advocates, and other youth-serving professionals. **All proposals must be submitted online by February 11, 2014 at 11:59 pm ET.** For more information <http://csmh.umaryland.edu/>
