

Join The SHAPE System!

The School Health Assessment and Performance (SHAPE) System is a free tool schools and districts can use to improve their mental health systems' quality and sustainability. By completing this form, you will receive more information about SHAPE and your school or district will be counted in the National School Mental Health Census. All information will be grouped at the state and national level and individual responses will not be shared back with your school or district.

Name: _____ Email: _____

Will you be describing a district or school?

DISTRICT

District:
State:

SCHOOL

School:
District:
State:

1. Does your school/district have **universal mental health screening and assessment**? Yes No Not sure
